Ganef is short and wiry and usually dressed in rumpled clothes that have that 'slept in' look. He wears his shoulder length hair in a tight pony-tail, and usually sports a pork-pie hat. He's quick to smile, and that grin is quite infectious.

Word on the Street:

>> *Why the hell is Ganef in here? The guys nothing but a two bit hustler. A straight up scam artist, if you ask me. The guy ain't even human, he's a fraggin dwarf.*

>> *Stumpy*

>> *I agree, he's a confidence man, but he's still alive and kicking, even after all of the hustles that he's pulled. That says a lot about his qualifications.*

>> *K.H.*

>> *Hey, man! Ganef's a good guy. I've done some business with him, and for the most part everybody that I know likes him. I don't think I've ever seen him pay for a drink!*

>> *Angry Alex*

>> *Umm, yeah. 'Never paid for a drink'? Like I said...*

>> *K.H.*

Personal Commentary:

I never stole. Never. It's like, I say to you, 'Let me borrow your tie right now.' Well, you say, 'OK. I'll let you borrow it.' But then, today I don't give you back your tie.

I broke a promise? Yeah, maybe. That make me a thief? Nah... I ain't a thief. I'm just a little untrustworthy.

Either way, I still got your tie, right?

Roleplaying Notes:

At his core Ganef is from the streets, and comes off as a bit of a hustler. He oozes confidence, cockiness, and sleaze, and even with that people can't seem to help liking him. Ganef is very observant and enjoys pointing out the little things that other people miss, relevant or not. He acts almost as if the world owes him, and enjoys 'flexing' his adept muscles to get what he wants. Ganef never forgives a slight and has a long memory.

He is not a typical example of his metatype... a little taller, a little stockier... if you didn't know it, you'd think he was a human.
